

We Build brand That Sell and Scale

# Digital Agency Brochure & Portfolio

At **MIDIS**, we don't just market—we architect scalable growth. With a data-first approach and creative precision, we help ambitious brands achieve market leadership across industries and borders.

# midis

We Build brand That Sell and Scale

## Brands We Own

# About Us:

## Shaping the Future of Digital Success

MIDIS is a full-spectrum digital marketing agency with a global footprint. Our philosophy is simple: every marketing dollar must translate into measurable business impact. We combine creativity, analytics, and execution at scale to deliver outcomes that stand the test of competition.

## Our Edge:

- Global Perspective – strategies designed to win in international markets
- Data-Driven Creativity – where insight meets execution
- Proven Scale – frameworks built to take businesses from local to global
- Specialist Teams – experts dedicated to every critical growth function

About Us

# Challenges We Solve

## Why Companies Choose MIDIS

- Websites attract traffic but fail to convert at scale
- Advertising spend is high, but ROI remains low
- Content exists, but engagement and reach are inconsistent
- Competitors dominate search and social visibility
- Sales pipelines remain unpredictable and stagnant

**Our Commitment: We turn fragmented efforts into integrated, ROI-driven growth engines.**

# Our Services

**End-to-End Digital Solutions. Delivered with Precision.**

- **Web Development** – Beautiful, responsive websites designed to convert visitors into customers
- **Graphic Design** – Logos, branding, and social media visuals that make your brand unforgettable
- **Content Creation** – Blogs, captions, and campaigns that tell your story powerfully
- **Video Editing** – Professional edits that boost engagement across platforms
- **YouTube Management** – Optimize, grow, and monetize your channel
- **SEO** – Get discovered, rank higher, and drive organic traffic
- **Email Marketing** – Personalized campaigns that nurture and convert leads
- **Google Ads** – Targeted ads to maximize ROI and sales
- **Meta Ads** (FB & Insta) – Creative campaigns that drive engagement & conversions
- **LinkedIn Ads** – Build authority and generate quality B2B leads
- **Organic Growth** – Sustainable strategies for long-term visibility
- **E-Commerce Strategy** – Turn clicks into loyal customers

A large, 3D-style orange key is positioned diagonally across the right side of the image. On the key, the word "Services" is written in a bold, white, sans-serif font. Above the text, a white arrow points towards the left. The background of the entire image is a crumpled white paper texture, and the top right corner shows a portion of a dark-colored computer keyboard.

Services

# Why **MIDIS** ?

**End-to-End Digital Solutions.  
Delivered with Precision.**

- Performance as the Standard – Every campaign measured against ROI
- International Benchmarks – Strategies modeled on global best practices
- Integrated Expertise – Branding, demand generation, and retention in one ecosystem
- Scalable Systems – From fast wins to long-term market leadership

# Call-to-Action

**Your Growth Shouldn't Wait.** Neither Do We. Book your **Complimentary Marketing Audit** today and uncover the untapped opportunities holding your business back.

This is not a sales pitch—it's a blueprint for scale.

# AlinKriti's Story – Where Art Meets Soul

---

AlinKriti - Jewellery with a Soul

AlinKriti was born from a quiet pause amidst life's chaos - a moment when we realized jewellery should do more than decorate; it should understand.

We are Alin and Kriti, and we created AlinKriti for women who carry countless roles with grace yet seek pieces that reflect their true selves.

Every design is a chapter - crafted with intention, not mass production. Our jewellery tells stories of emotion, identity, and everyday celebration. From first jobs to quiet victories, from gifts that matter to moments of self-love - AlinKriti is there.

We're not here to follow trends. We're here to create timeless, poetic, and personal pieces that grow with you.

AlinKriti isn't just made to match your outfit.

It's made to mirror your story.

## Typography

## Frutiger

## *Newsreader*

Aa Aa

Frutiger Serif Light is a clean, modern serif font that conveys sophistication and trust while maintaining high readability across devices. Its light weight gives your brand a minimal yet premium look, making it perfect for headings, navigation, and key content where clarity and refinement are both important.

*Newsreader Italic brings a classic editorial and storytelling vibe to your brand. Its slightly italicized, elegant strokes add emotional warmth and personality, making it ideal for taglines, captions, or descriptive text that needs to feel inviting and expressive.*

# About - Mining Discovery

---

**Mining Discovery** provides daily mining news, a weekly mining newsletter, a monthly mining magazine and an interactive mining website for mining companies, mining associations and mining executives globally. Mining Discovery is an innovative digital publication aimed at bringing business executives up-to-date with the latest news, information and trends from across the mining industry. Our digital platform includes an interactive website and magazine experience that will bring you inside the world of mining including comprehensive insight and analysis about the sector.

We help businesses fast-track their way to success on digital platforms through conversion-optimized campaigns. Let us help you take an integrated approach to achieve your business goals through Search Engine Optimization, PPC, Social Media Marketing, Video Marketing, and more. Mining Discovery is an agency dedicated to finding creative solutions for our clients through brand strategy, creative communication, and technology. Based in Mohali, India, Mining Discovery is a team of highly experienced core members. We have developed as our customers have dependably requested more from us than what we do taking a look at the outcomes. With the firm conviction that your prosperity is totally basic to our own, we need all our clients, regardless of size, to consider us as long-term partners.

We do not believe that our work is over once the service is delivered. We believe that it begins after the service is generated, with the ripples it creates. We want to create success stories of brands that glow brightest in the digital space. Our purpose is to imprint value to a brand so that it knits a wonderful tell-tale.

# About Brand

## Why Yogshala Brand is the Top Choice for Yoga Enthusiasts ?

Yoga has become a popular practice for improving physical and mental well-being. With so many brands offering yoga products, why is Yogshala the top choice for yoga enthusiasts?

### Quality Materials

Yogshala products are crafted from high-quality materials that are durable and long-lasting. Their yoga mats are made from eco-friendly materials, providing a non-slip surface for a safe and comfortable practice.

### Innovative Designs

Yogshala offers a range of innovative designs that cater to different preferences and styles. From vibrant patterns to minimalist designs, there is a yoga mat for everyone. Their products are not only functional but also aesthetically pleasing.

### Commitment to Sustainability

Yogshala is committed to sustainability and environmental responsibility. Their products are made with eco-friendly materials and production processes, reducing the carbon footprint. Yoga enthusiasts can practice with peace of mind, knowing that they are supporting a brand that cares for the planet.

### Comfort and Support

Yogshala products are designed with the comfort and support of the practitioner in mind. Their yoga mats provide cushioning for joints and stability for balance poses. With Yogshala, yoga enthusiasts can focus on their practice without worrying about discomfort or slipping.

### Positive Reviews

Yogshala has garnered positive reviews from yoga enthusiasts around the world. Customers praise the quality, durability, and design of Yogshala products. With a high satisfaction rate, it's no wonder why Yogshala is the top choice for many yoga practitioners.

In conclusion, Yogshala brand stands out for yoga enthusiasts due to its commitment to quality, sustainability, innovation, comfort, and positive reputation. Whether you are a beginner or an experienced yogi, choosing Yogshala products can enhance your practice and elevate your yoga experience.

# About Brand

## Welcome to The Menopause Relief Store: Your Trusted Source for Natural Menopause Support

The Menopause Relief Store, we're two lifelong friends who are walking through the ups and downs of mid-life together and we know how real the challenges of menopause can be. We're not doctors or celebrities, just everyday women who want to make this transition a little easier, a little lighter, and a lot more supported. Our mission is simple: to share relief ideas, therapeutic products, and trustworthy information that truly help. This is more than a store, it's a growing community where women can feel seen, supported, and empowered to elevate their midlife wellness.

We're not doctors or celebrities—just everyday women who understand what it's like to feel confused, exhausted, and unsupported during this transition. Our mission is simple: to share therapeutic products, expert-backed wellness tips, and relief strategies that truly help.

### Holistic Wellness for All Ages

While our heart is with women in midlife, our commitment extends to everyone seeking recovery and balance. We offer tailored wellness solutions for men, youth, and seniors, with products that promote holistic healing, immune support, and stress relief across all life stages.

### Why Choose The Menopause Relief Store?

- Expert-curated products for menopause and hormonal balance
- Natural ingredients and science-backed formulas
- Empathetic support and educational resources
- Inclusive wellness solutions for all ages
- A trusted community that puts your health first

### Your Wellness Journey Starts Here

At The Menopause Relief Store, your health is our priority. We're here to walk beside you, offering relief tools, wellness guides, and compassionate care every step of the way. Because when you feel good, you don't just survive—you thrive.

Welcome to a sanctuary that puts your wellness first. Welcome to The Menopause Relief Store.can enhance your practice and elevate your yoga experience.

## About Us

With multiple sites, including our state-of-the-art combined cycle and high-capacity substations, we tap into and enhance the energy grid, supporting both industrial clients and broader energy markets.

### Our Mission

Our mission is to create efficient, reliable, and cost-effective energy solutions by maximizing the potential of our power facilities and building advanced infrastructure to meet the demands of high-performance computing, Bitcoin mining, and other energy-intensive industries.

### Our Focus

We are focused on continuously expanding our power infrastructure to create a resilient backbone for the future of energy and technology. We are committed to powering the digital economy and the energy grid of tomorrow through sustainable, scalable, and strategically positioned energy assets.

"BUY TIMMINS" STRATEGY

Loyalist Exploration is executing a focused strategy of acquiring and advancing high-potential gold and strategic metals projects in the prolific Timmins Mining Camp – a district that has produced over 70 million ounces of gold and is host to one of the world's largest volcanogenic massive sulfide (VMS) deposits, the Kidd Creek Mine.

Start Your Exploration

UPCOMING EVENTS

Who We Are

Loyalist Exploration Limited is a mineral exploration company concentrating on acquiring, exploring, and developing quality mineral properties in the Timmins Mining District. The Company is focused on the recently announced Gold Rush gold/silver property, and the Loveland, Nickel/Copper/Gold property located in the Timmins, Ontario mining district.

We are committed to developing quality mining projects, delivering consistent value to our shareholders through fair mining practices and strong, collaborative relationship.

✓ Gold & Silver-focused Properties

✓ Nickel-Copper Exploration

✓ Environmentally Responsible Practices

✓ Transparent, Investor-Driven Approach

Introducing to our bestseller

ESSENTIAL RELIEF

Meet the essentials of a better wellness journey

Thoughtfully designed therapies that support your body through every phase of menopause—naturally, gently, and effectively.

Rooted in science and crafted for comfort, our PEMF, Red Light, and Sauna solutions help restore balance, ease symptoms, and empower your daily life.

Reviews from Customers

★★★★★ 1900+ reviews

Emily R.

★★★★★

Nice item as described in the website. I've tried countless menopause products, but this LED mask is next level. It's not just kind-of-a-hot-but-not-hot. My skin feels calmer, and I sleep better too.

Handbook Round Stick Sauna Backrest

Helen T.

★★★★★

Great Product! I am so happy. The infrared therapy device is brilliant. I use it during my evening routine and it genuinely helps with joint stiffness and mood swings. Beautifully designed and easy to use.

Handbook Round Stick Sauna Backrest

Sarah M.

★★★★★

Finally sleeping through the night! I've struggled with night sweats and insomnia for years. After using this, I started sleeping better and waking up refreshed. It's gentle, natural, and actually works. I'm so grateful!
